

PDA Soccer Marathon to Benefit

SPECIAL OLYMPICS NEW JERSEY

November 13th - 14th, 2009

On November 13th and 14th, 2009, the Players Development Academy will host a 24-hour soccer marathon as a charity/fundraising event. Players from the 23 PDA soccer club teams will participate in the marathon.

All donations will be split with Special Olympics New Jersey.

Special Olympics New Jersey and the Players Development Academy are 501(c)3 non-profit organizations.

Special Olympics New Jersey is a statewide sports and athletic competition program which provides year-round opportunities to children and adults with intellectual disabilities to participate in sports. Children as young as 8 years old are eligible to participate in many events held throughout the year. Special Olympics competitions are patterned after the Olympic Games. Over 15,000 competitions in both summer and winter sports are held each year in communities worldwide. Events are conducted on the local, area (county), chapter (state), and international levels. More than TWO MILLION athletes participate worldwide.

Special Olympics New Jersey is widely recognized for the strength of its program and constantly strives to recruit more athletes and develop higher quality programs of training and competition.

For more information go to the Special Olympics New Jersey website: <http://www.sonj.org>.

The Players Development Academy (PDA) is committed to developing youth soccer. The PDA seeks to offer a challenging, competitive, and educational program in which athletes will develop their soccer skills and learn sportsmanship, citizenship, and fair play. To this end, the PDA portion of the proceeds from this fundraiser will be used for the continued development of the PDA soccer facility at Zarephath, NJ. For more information, visit www.pdasoccer.org.

This event provides an opportunity for the PDA players to contribute to their club and to the community, while doing what they do best -- play soccer! We encourage the support of all PDA families. Please contact Patty Seitz at pseitz5@aol.com or 908-581-0693.
